## NOAC 2009 : Pre-Registration Form

Arrowmen,

The National Order of the Arrow Conference will be held on the campus of Indiana University (Bloomington) on August 1 - 6, 2009. For NOAC 2009, Cowikee Lodge would like to increase our contingent size. We want **you** to be a part of our contingent!

To learn more about the numerous events, shows, activities, and training opportunities of NOAC, please visit the National OA website at: <http://event.oa-bsa.org/>

At this time, the total costs for our contingent have not been finalized. For budgetary purposes we project the cost to be \$550 ~ 600 pending the number of delegates and final travel arrangements. The entire contingent will be traveling together and will travel by bus and/or vans. This estimate includes the national delegate fee (lodging and food while at NOAC), and transportation expenses. The estimate does not include food expenses during travel, personal spending money, or any additional NOAC memorabilia. Please check the lodge website at: <http://www.alfcouncilbsa.org/cowiikee> for updates regarding our lodge NOAC contingent.

National requires all contingents to maintain a minimum ratio of 2 youth for every adult. For this reason, each adult who attends will be asked to recruit at least 2 youth lodge members. If you are 21 before, or turn 21 during NOAC, you are considered an adult for this event.

To hold your spot for NOAC, a \$100 deposit will be required with your pre-registration form. Your deposit is non-refundable, but is transferrable to another Cowikee lodge member. Slots will be filled first-come, first-served, but we will maintain a wait-list for cancelations and additional slot availability. For best availability, we highly recommend completing this form with deposit by the Lodge Banquet in January. Don't wait, pre-register for NOAC today!
