“The Trainer’s EDGE” Training Course

What is The Trainer’s EDGE?

The Trainer’s EDGE is a new training course that replaces the old Trainer Development Conference as the required train-the-trainer course for both NYLT and Wood Badge. The purpose of The Trainer’s EDGE course is to provide and help develop the platform skills of a trainer. It is meant to supplement the practice offered through staff developments, with a focus on the participant, while raising the level of skill a trainer brings to their staff experience. Only practice can polish these skills, but this course is intended to “*Train The Trainer*” on behaviors and resources while offering hands-on experience in methods and media.

Who Should Attend?

***Every Scout deserves to be trained,
Every Scout deserves a trained leader,
Every Leader deserves to be trained,
Every Trainer deserves to know how...***

Here is an opportunity for all to participate. This invitation is open to everybody. Anyone who makes presentations, whether it be to youth or adults, is invited to attend this unique training experience.

Training is a very important part of Scouting. For those of you who are new to making presentations and those of you who have been making presentations for a while, there is always an opportunity to learn something new.
